HAPPY SPRING

Spring has (almost) sprung, which means it's (almost) time for our Woodburn Club Owners Annual Meeting!

Our owners annual meeting will be held on Monday, April 28th at Morningside Baptist Church (897 S Pine St) from 6:30pm-8:00pm. We hope to see you there!

Please Pick Up Your Dog Poo!

The HOA Board has provided pet waste bags AND a place to throw it away - meaning there's no excuse to see dog poop being left around the neighborhood. Help us keep our areas clean!

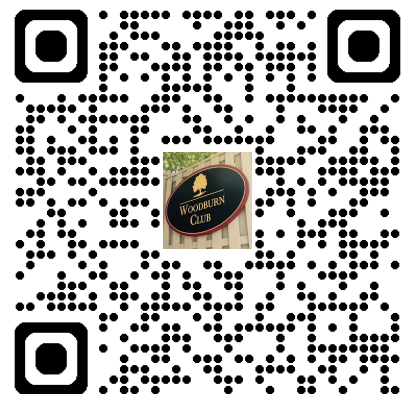

ARC Forms

We have updated the ARC form, which can be found on the Important Documents page on the website.

Please email the form to woodburnclubARC@gmail.com or mail a printed copy to HOA President, Doug Rhodes at 211 Woodburn Club Lane, Spartanburg, SC 29302.

Scan the QR below to check out our new and improved Woodburn Club website.

Pine Straw:

It's almost that time of year! Our landscaping crew will begin laying pine straw in mid-late April.

A Note From Duke Energy:

We've Arrived in the 21st Century

facebook

You can now find Woodburn Club on Facebook! We have created a private group for neighbors only to be able to share all the great things that go on within our community. This group was created to be a safe space for neighbors to celebrate anything happening in their life, post things that they'd like to give away or sell, and where we can share all of the fun events we have like Food Trucks in the cul de sac! To join search Woodburn Club and request to join by agreeing to the terms and conditions!
